

Dr Boppana Nagarjuna Professor in Economics School of Economics University of Hyderabad Hyderabad. 500 046.	 CV
---	---

Academic Contributions: A Testament to Scholarly Excellence

As of today, the author has published eleven books and over forty research papers in esteemed journals and anthologies, which have been presented at various national and international seminars. Notable publications include contributions to the *Journal of Economics and Econometrics (EERs)*, *Journal of Applied Finance Research (European Centre for Financial Management)*, and *Journal of Finance India (IIF, New Delhi)*, among others such as *ITIHAS - The Journal of Indian Management and Development Gateway* by the World Bank. This body of work reflects a significant scholarly impact across diverse fields, including finance, public policy, and management. Also having 30 years of experience in teaching and research.

Administrative Assignments

During the 2020-21 academic year, the University of Hyderabad appointed key administrative roles to ensure smooth operations and governance. Notably, the Dean of Students Welfare oversaw student affairs, while the Chairman of the Covid-19 Information Committee addressed pandemic-related challenges. Additionally, the individual served as a member of the Academic Task Force, Academic Council, and the Admission Committee for the School of Economics, contributing to academic and policy decisions. Previously, they also held a position on the Executive Council, furthering institutional leadership and strategic planning. These assignments reflect a commitment to academic excellence and administrative efficiency at the University of Hyderabad.

International recognition

Boppana Nagarjuna has garnered significant international recognition for his contributions to academia and research. His biography was published in *Marquis Who's Who* in 2011, highlighting his professional achievements. In 2015, he was nominated for the prestigious Mead Fellowship at Cambridge, United Kingdom, and pre-selected for the Promoteo project by the Government of Ecuador at the Technical University of Machala (2014-15). Earlier, he was nominated for the Marie Curie "People" International Fellowship by Turkey (2011-12) at Bahcesehir University, Istanbul. Nagarjuna also serves as a member of the Editorial Board for the *Eastern European Journal of Business and Economics*, Latvia, and holds key academic roles at the University of Hyderabad, including membership in the Academic Council, Academic Task Force, and Admission Committee, as well as former membership in the Executive Council. His distinguished career reflects a commitment to excellence and global collaboration.
